## JOSIAH 2 KINGS 22

### REFLECTION SECTION

How do you think God felt when Josiah live his life like God wanted him to?

Do you sometimes find it tricky to live in a way that makes God happy?

Do think people in the world today live in a way that makes God pleased?

### CHALLENGE

Josiah rebuilt and repaired the temple, why don't you build a pillow fort in your house? Try and build the biggest and tallest fort you can!

### PRAYER

Dear God,  
Thank you that the bible shows us so clearly the best way to live, I pray that we will read it and remind ourselves everyday of the way we should live. Sorry for the times we forget the best way to live and do things that are wrong, but we thank you that you forgive us when we make mistakes.

Amen

### STORY

As we heard in the story, Josiah was very young when he became king, but that didn't stop him from acting in a way made God happy. When he was older, he sent one of his advisors to the temple, when he returned, he told Josiah all about how the people were living in way that didn't make God happy. So, Josiah gathered all of the people together and taught them how to live properly. He fixed the temple and was the first ever King of Israel that truly lived in a way that made God happy.
