

# Session II

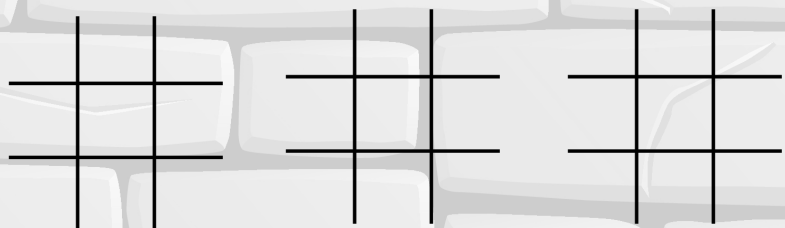

## CHURCH BUILDER # I

Acts 5:17-42

### FUN FACT

There is a total of 1189 chapters in the Bible

As we saw in the story, after Jesus left the disciples he sent the Holy Spirit to help them in the mission they had been given. So they went out to tell everyone they could about what Jesus had done for them, performing miracles and healing people. The Jewish council were angry at the apostles so they were arrested and put in prison. They were set free from the prison by an angel and went straight back to the temple to preach. Despite the fact they were persecuted by the Jewish authorities, they continued to share about Jesus. Sometimes people might make fun of us for following Jesus, but we can be confident knowing that we have Jesus and the Holy Spirit supporting us!

### Reflection Section:

How do you think the disciples felt being put in prison? Do you find it hard to tell people about God?

**Challenge:** This week try and show the love of God through your actions to as many people as you can.
